Selectmen's Meeting

COREY APPOINTED TO BOARD OF HEALTH

Sitting in joint session with the Board of
Health's members Daniel C. Lee and John
Bowman, Selectmen appointed Louis F.
Corey, Jr. of Pine Island Road to fill the
vacancy on the Board of Health left by the
resignation of Roy Wingate who is moving
out of town. Mr. Corey was the unanimous
choice for the post because of his background
which includes a 15-week course in waste-
water treatment taken at Bridgewater State
College, his knowledge of Mattapoisett as
a 40-year resident and experience as in-
dustrial art instructor at the Old Rochester
Regional High School.

ASKS RIGHT OF WAY

Mr. Joseph Rochette of Wildwood Terrace
asked the Selectmen for their approval to
hire a private contractor to clear a right of
way to the rear of his property through the
town barn back lot. Mr. Rochette sought
and gained the consent of the town meet-

ing voters at the Annual Town Meeting for access to his property via this route. The town voted this right of access in Article 25. Mr. Rochette, who uses this plot of land for a garden, seeks to bring in loam and wooden window boxes to fill with flowers for the Town Hall. The Selectmen, through Chairman William Hubbard, expressed their regret at being unable to grant permission to allow the private contractor on town barn land. Mr. Hubbard said Town Counsel Donald Fleming had informed the Board of Selectmen that the town barn land is controlled by Mr. Manuel Nunes, Highway Surveyor, and is under his complete control as an elected official. The Selectmen told Mr. Rochette that the best they could do was to set up a meeting with the Board of Selectmen, Mr. Nunes and Attorney Fleming to see what action could be taken. Nunes and Fleming had discussed the town meeting vote in a meeting earlier in the week.

NAUSHON STREET UNACCEPTABLE

The Planning Board informed Selectmen that Naushon Street cannot be approved for acceptance by the town because Nuno de Oliveira will not allow drain water to be emptied on his property which abuts Naushon Street.

E.M.T. RADIO

Selectmen received a letter from the Emergency Medical Services requesting a letter of intent from Chief of Police Tuttle and setting Mattapoisett's share of the estimated cost of the radio system for the hospitals at \$400. This radio is to put E.M.T.s on emergency calls in direct contact with a doctor at the hospital so that on-the-spot advice can be obtained from the doctor directly to the scene of the emergency. NAMED E.M.S. REPRESENTATIVE

Selectmen named Detective Robert Moore as Mattapoisett representative to Emergency Medical Service meetings.

STREET WORK NOT MARKED

The engineering firm of Tighe & Bond sent the Board of Selectmen a copy of a letter from them to the Bay Corporation regarding marking of the work sites. The engineers informed the sewer contractor that insufficient barrels mark the trenches and not enough

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it's new customers we are looking for.

annual Spring Concert.

The show is built around the sixty-member concert band interspersed by numerous soloists, combos and ensembles, with the school chorus opening the program.

During the course of the evening you will be entertained by some of the more unusual instruments in solo performances. Individuals will display their talents on French horn, bass, clarinet, and baritone horn. Ad-

This will be the second consecutive year that we will be holding this program at the high school. This is to everyone's advantage since accoustics are superior and seating is much better.

There has always been a large crowd on hand for this and we certainly hope the same will hold true this year.

Please come and enjoy a group of proud and enthusiastic young musicians who will do their very best for you.

On Friday morning at about 9:15 the highlights of the concert will be heard at Old Hammondtown School auditorium for the student body and anyone who is unable to attend the evening show.

I'm Biff MacLean

I've been fortunate enough to know a lot of you. Many of you I look forward to meeting. As you probably know, through an act of the Massachusetts legislature, each representative's district has been expanded. My former district of Acushnet and Fairhaven is being expanded to include Marion, Mattapoissett, and Rochester.

I would appreciate your help in the coming election. I want to renew as many old friendships as I can, and make many new ones.

I'm having a brief meeting Sunday, June 11th, at 10 A.M. at Gaudette's Pavilion in Acushnet. Please join me. I'm looking forward to seeing you.

Rochester Fun Day

On Sunday, June 11, the Parents and Teachers' Organization of Rochester Memorial School will host a day of fun for all Rochester Memorial students and their families. The event will be held from 12 to 5 P.M. at our Lady of the Lake (next to Cathedral Camp) on Route 18 in Freetown.

A lifeguard will be provided for swimming and tennis courts will also be available. Bring your racquet! Volleyball and softball games for all ages are in the offing, as well as relay races and tugs-of-war.

The afternoon promises a very impromptu atmosphere with each family providing its own picnic and bringing along its favorite recreation from frisbee to badminton. So, come on out, rain or shine, and join in the fun!

The PATO asks that all children be under adult supervision at all times. Any questions call 763-2317.

Annual Boat Race

TOP PHOTO - TENSE MOMENT AT "GRANDMA HARTLEY'S" POND AS STARTING TEAMS WAIT FOR THE GUN. BOTTOM PHOTOS - STRONG PADDLING TEAM CHURNS TOWARD THE FINISH LINE AND 1978 WIN FOR MIKE AND ROLAND MARTIN.

The Memorial Day happening that is the Rochester boat race was a victory for the new team of Mike and Roland Martin who finished in 2:15:29. The finish was a particularly exciting one for spectators as the lead boats came down the last stretch tightly locked. Steve Stopka and Richard Johnson posted 2:15:32; Brett and Brian Sherman took third place with 2:18:38. All these teams are from Rochester.

In the Junior Division David Bessette and John MacGregor of Rochester won in 2:49:10.

A girls' team from Mattapoisett, Kate Bauer and Susan Lake, won with a time of 2:50:59.

Forty-one teams took to the river starting at 8:30 at "Grandma Hartley's" pond in Rochester and the last finisher crossed

Here's your chance to win a place in history.

Your name could be the one we draw, June 23, for an all-expenses paid, one week trip for two to historic Williamsburg, Virginia. That's the day Plymouth-Home will observe its 175th Anniversary. And ~~that's the grand prize we're~~ giving away during our week-long Anniversary Party, which starts on Monday, June 19th.

By helping us celebrate our 175-year history.

Each day throughout that week, we'll be drawing the names of 174 other prize winners, and holding special events to mark our anniversary. We hope you'll come to our nearest office and enter our prize drawing. We hope that you'll also take in as many of the following events as you can.

Monday June 19	Tuesday June 20	Wednesday June 21	Thursday June 22	Friday June 23
The most important party of all That's you, of course, which is why Monday, June 19, will be Customer Appreciation Day. We'll have free "thank you" gifts for everyone. As long as supplies last, you'll have your choice, including a frisbee so you can really have a fling on our anniversary. And, to start the week off, we'll draw the names of the lucky winners of a free copy of The Complete Illustrated Book of Garden Magic.	Try to see the big picture Tuesday noon, June 20, at our main office at 34 School Street in Brockton, we'll unveil an acrylic painting you'll want to see. It's a dramatic celebration of the spirit of renewal so evident in Brockton and throughout Plymouth County. Later in the day, at each office, we'll draw the name for a Polaroid "Memory Maker" camera that's sure to click with every winner.	Eight score and fifteen Wednesday, June 21, is the first day of summer and to help some people get ready, we'll draw names of winners of colorful tote bags. And that evening, at Memorial Hall in Plymouth, we'll sponsor a free summer concert by the Plymouth Philharmonic Orchestra. Free tickets for this light classical program are available now at each office, on a first-come, first-served basis. We hope you'll make note of that fact.	Yes, that's Bridgewater, all right Community Recognition Day will be Thursday, June 22, when we'll present flowering trees to the 12 communities where Plymouth-Home has facilities. Names of our annual scholarship winners also will be announced that day. And winners of 18-inch Weber grills will be picked, in what might be called a charcoal drawing.	It's a piece of cake Friday, June 23, is Founders Day. So please come by for some birthday cake. You'll find some of our staff in vintage costumes, see lots of historic pictures on display, and you'll have one last chance to enter the sweepstakes for the trip to Williamsburg. We look forward to seeing you at our Anniversary Party. Your presence will mean a lot to us.

CONSERVATION ASSISTANCE AVAIL. TO TOWNS

For the town interested in developing the
land they own or control, there is help avail-
able. The Soil Conservation Service, assist-
ing the Bristol and Plymouth Conservation
Districts, provides technical guidance to
towns in resource planning. Assistance may
be requested by any town board that owns or
controls land.

Many school departments have requested
assistance in developing outdoor class-
rooms. The Soil Conservation Service pro-
vides technical help in identifying and lo-
cating stations for specific uses for edu-
cational purposes. The Recreation and
Park Commissions in some towns have been
given assistance on recreation site identi-
